

Commercial and Residential Contractor Since 1936

May 2020 • 510.444.2723

We are picking up where we left off in March, and W.A. Rose is delighted to be back at work! The health of our clients and our own team is of utmost important to us, so we want to assure you that we are maintaining social distancing and wearing masks on all of our job sites as per the Department of Public Health and OSHA Guidelines.

The demand for a real home office is growing

These days, we are all working from home and home-schooling our kids. More employers are realizing that a virtual workforce is efficient and makes economic sense. It is also great for the environment.

The result? We are been fielding calls from clients who want to create real home offices--they are tired of cramped, chaotic desks in their bedrooms or sharing offices with their husbands. They are ready for real offices with doors--serious workspaces they can call their own.

Yet there is a lot of uncertainty right now, and people are being conservative about how they spend their money. We have created preferred pricing for W.A. Rose clients. **Give us a call to talk about your project: 510.444.2723.**

Our Best,
Jocelyn Newell, General Manager

Home Offices Reimagined

We are converting garages, spare bedrooms and family rooms. Once kids leave home, some families are finding that those now-empty bedrooms make attractive, highly functional offices.

Think Warm Summer Evenings on Your New Deck

Decks also have become a hot topic. Travel is on hold, and a lot of disappointed families are canceling their vacations. But

summer right here at home gets a lot better when you can enjoy it on your beautiful new deck!

What We Are Working On

Watch for our Summer Newsletter

W.A. Rose has been working on a commercial buildout for **Golden Gate Petroleum** in Oakland. This gas station also will be selling food, toilet paper and cleaning products, so they qualified as an essential service. We were able to continue working through the sheltering-in-place order and they will soon be open for business.

Moraga's New Apostolic Church

Inspections were nearly complete when COVID forced a shutdown. We are completing inspections this week and turning the space over to the clients so they can prepare for their dedication and safely resume church services.

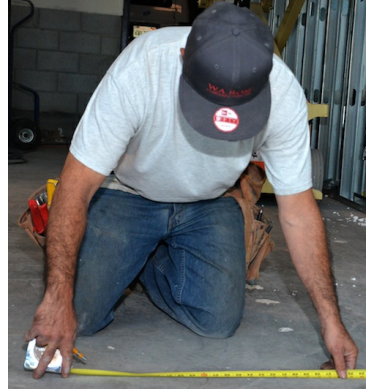

Why Work with W.A. Rose?

Reliable Service. On Time, On Budget

A high level of professionalism, ability to maintain schedules and manage costs. Worksites are organized, clean and skillfully run.

Skilled Craftsmanship. Pride in Quality Work

Experienced, trained craftsmen are recognized for skill and attention to detail.

Responsive Customer Service

Ability to adapt our services and schedules to meet client needs.

SLBE Oakland Certification

A Small Local Business Enterprise (SLBE) with the City of Oakland, County of Alameda and Port of Oakland. We are reinvesting in our local economy.
